

Elegant Traditions

The table runners were made with Winter Solstice (black/blue) and Christmas Traditions (red/green) Collections designed by Shania Sunga for Cantik Batiks.

Quick and easy to make for beginners or experienced quilters.

The colour choices are yours to make.

Read all instructions before cutting the fabric, use an accurate $\frac{1}{4}$ " seam allowance.

The $\frac{1}{4}$ " seam allowance is included in all measurements.

All fabrics are cut from the width of the fabric unless otherwise indicated.

Press seams in direction of arrows as indicated in each diagram.

CUTTING THE FABRIC:

Square all fabrics before cutting the actual strips.

◆ **Center Squares:** Cut one $7\frac{1}{2}$ " square from each of the 3 large print fabrics.

Pay attention to the directional print and maybe you would like to do a little "fussy" cutting in order to have the design in the center of the block.

◆ **Side Squares:** Cut four $7\frac{1}{2}$ " squares.

◆ **Outside Squares:** Following the picture on cover page and depending which runner you are making, select corresponding fabrics and cut 4" squares. You will need 36 in total.
